SAFETY AND SECURITY TIPS

For your personal safety and security, please take time to read the following. Please familiarize yourself with the location of the various emergency exits of the hotel. All this information is written at the back of your room door.

Instruction to follow in the event of a fire alarm or a smell of a smoke

- Stay calm
- Push the nearest manual call point
- Phone the Telephone Operator by dialing (1101).
- Exit from the building
- Take your room key with you

1. Take your key with you.

2. Check the temperature by touching the door of your room and pay attention of smoke before opening it.

3. If the door of your room or the handle is hot, do not try to leave.

4. Place wet towels on the ground at the bottom of the door.

5. Identify yourself to a person in charge; give your name and your room number.

6. Remain in a low position and avoid breathing in gases of smoke; if there are any other solutions, breath through wet towels.

7. In case of fire ,the gathering point is in front of he hotel at the parking lot

If you cannot leave your room

- Shut off air conditioner
- Remove drops from windows
- Check to see if there is smoke outside the window: if there is no smoke outside and the window may be opened, hang a sheet or light colored material outside. This will signal your location, letting fire fighters know that the room is still occupied. Keep part of the sheet inside the window, wet with water.
- Full the bathtub or sink with cold water for fire fitting/ use ice bucket or other contrainer to keep water available to quickly moister the wet clothes that are keeping the smoke out.
- Do not break the window, do not jump.
- Stay low and continue firefighting until help arrive.

SMOKE

If your room is filled with smoke, fold a wet towel in to a triangle and tie it over your nose and mouth. Get on your hands and knees (or stomach) and crawl to the door. Fell the knob; if hot, do not open. If cool, open slowly. Take your room key. If the hallway is filled with smoke, stay next to the wall and count down the exit staircase. If the staircase begins to be fill with smoke return to your room.
